

MICHAEL OBINALI

High-Ticket Sales Closer | B2B & B2C | Remote

Manchester, United Kingdom | +44 7412 816602 | michael.neftali@gmail.com

PROFESSIONAL SUMMARY

Results-driven high-ticket sales closer with 4+ years of experience across B2B and B2C environments, generating over \$3 million in total revenue. Proven ability to guide prospects through emotionally intelligent conversations, dismantle objections, and close on the first call. Consistent 50-55% close rate across multiple remote roles. Trained in serve-first sales philosophy: I help people make decisions they already want to make.

KEY ACHIEVEMENTS

- Generated \$3M+ in total revenue across three high-ticket sales roles over 4 years
- Maintained a 50-55% close rate on high-ticket offers ranging from \$1,500 to \$25,000 USD
- Promoted to Sales Manager at GrowthStack Labs within 11 months based on consistent performance

WORK EXPERIENCE

Inside Sales Representative Mar 2024 – Feb 2026

RevBoost | United Kingdom, Remote

- Closed high-ticket B2B ecommerce performance offers ranging from \$15,000 to \$25,000 USD, generating over \$1 million in total revenue over 2 years.
- Led full-cycle sales conversations from discovery to close, maintaining consistent 50%+ close rate on qualified warm leads.
- Applied consultative, serve-first sales methodology to understand prospect pain points and position solutions around business outcomes.
- Managed pipeline and post-call follow-up using CRM tools, maintaining structured accountability across every stage of the sales process.

Appointment Setter & Sales Closer (Promoted to Sales Manager) Feb 2025 – Dec 2025

GrowthStack Labs | United States, Remote

- Started as appointment setter, moved into a closing role, and was promoted to Sales Manager within 11 months based on revenue performance.
- Generated over \$600,000 in revenue through high-ticket B2B SaaS deals across inbound and outbound channels.
- As Sales Manager, oversaw full sales operations: coached underperforming reps, reviewed call recordings, and aligned team activity with weekly targets.
- Led prospect conversations using deep discovery, objection handling, and urgency framing techniques to close deals on the first call.

Sales Closer Mar 2023 – Dec 2024

Pipeliner CRM | Remote

- Generated over \$300,000 in revenue within the first 3 months of joining, demonstrating rapid ramp-up ability in a new product environment.
- Promoted within 6 months after maintaining a 35%+ close rate and consistently booking high-quality qualified leads.
- Handled end-to-end closing conversations for CRM software deals, navigating technical objections and multi-stakeholder decisions.
- Maintained detailed CRM records and structured follow-up pipelines to ensure no qualified lead was left uncontacted.

Digital Sales Specialist Jan 2022 – Apr 2023

Convertly.co | Lagos, Nigeria, Remote

- Improved conversion rates by 28% through optimized sales funnels and targeted outreach campaigns.
- Conducted discovery calls and handled objections for digital product and SaaS offers in a B2C environment.
- Built and managed lead pipelines using CRM tools, tracking prospect stages from first contact to close.
- Collaborated with marketing to align messaging and ensure sales conversations reflected campaign intent.

CORE SKILLS

High-Ticket Closing | B2B & B2C Sales | Consultative Selling | Objection Handling | Discovery & Needs Analysis | Pipeline Management | CRM (HubSpot, Pipeliner, GoHighLevel) | Remote Sales | Appointment Setting | Sales Team Leadership | WhatsApp & Email Follow-up | Conversion Optimisation

Community Assistant *Jun 2016 – Mar 2023*
UpliftHub Nigeria (Uplift Nigeria) | Bauchi State, Nigeria, Hybrid

- Contributed to the growth of a non-profit technology innovation and empowerment initiative founded in 2015, focused on youth mentorship and SME support across Bauchi State.
- Provided mentorship and guidance to students and young professionals, helping them develop skills and navigate career pathways in technology and business.
- Supported small and medium scale businesses through community empowerment programs, workshops, and direct advisory sessions.
- Developed strong communication, people management, and community engagement skills across nearly 7 years of consistent voluntary contribution.
